# The Pitch the fundamental structure

in film - "the pitch" is the shortest version of film.

"90 words - is it possible?"

↑  
the abstract?

~~I hypothesized~~  
~~I foresee that~~

Secondary institutes in

Educational divide in rural Bangladesh may remain despite govt's "digital Bangladesh" roadmap, NGO, ~~and~~ academic initiatives and public partnerships.

My Qualitative Diffusion study on <sup>a village institution in</sup> addressing (lack of electricity, affordability, teachers incentives, parents literacy & role, support services cost, fear factor, social hierarchy, trust etc) are more humanistic and local <sup>rather technological.</sup> A sustainable diffusion reasoning ~~can~~ <sup>can</sup> be identified to ~~make~~ orchestrate the efforts <sup>in the institutes/academic institutes</sup> in bridging the gap.

Various social barrier.
